Curriculum Intent

At St Bartholomew's Primary School, we recognise the fundamental role a child's early years has in shaping the person and learner they become.

Our EYFS curriculum is designed to lay strong foundations so that the children develop the characteristics of an effective learner as well as having the knowledge and skills to be ready for the key stage 1 curriculum.

We provide pupils with a safe and stimulating environment that will allow them to thrive. We aim to develop curiosity and nurture children into becoming independent and resilient learners.
